Preach the Word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction. — 2 Timothy 4:12

MARCH/APRIL 2008

March 13, 2008

Volume 4, Issue 2

Recent Events

February and the beginning of March have certainly been busy, and God has been guiding and blessing as always.

It would seem that God may have something special in mind for Live Oak, Florida. In February and March, Jim has preached at 3 different churches there. He has had the privilege of speaking to the people of First Baptist Church, Westwood Baptist, and Friendship Baptist. He

will be back in Live Oak again for a call to revival at Mt. Olive Baptist Church the first week of May.

In February, Jim also preached a revival in New Port Richie, FL at Faith Baptist Church. It is exciting to see the way that churches are not only hearing the Principles of what a God-centered church looks like, but are beginning to apply those principles as well.

March 11-13, Jim was at Lake Yale Conference Center in Central Florida speaking to and encouraging pastors who are working with the Florida Baptist Convention. This was especially exciting for Jim since the ministry focus of these men is to help struggling churches get healthy. It was great for Jim to have the opportunity to encourage a group who is working very closely to the call on Jim's life.

Prayer Requests

Please pray for . . .

- God to continue providing many opportunities for Jim to speak as God wills.
- Us to know and understand God's will for the next step in pursuing publication of the God-centered Church workbook.
- All the different "Call to Revival" services that Jim will be preaching over the next couple of months.
- Jim as he will be the keynote speaker for Family Week at the Alton Bay Christian Conference Center in New Hampshire the 3rd through the 7th of August. Also for the other preaching engagements on that tour of New England.

Workbook Update:

God has answered our prayers in that He has made part of His will known.

Lifeway rejected the workbook for publication. We are praying about what is

next. Jim believes that the next step may be to make high quality DVD's of him presenting the principles that we could submit along with the workbook to a publisher.

Family Corner

The Johnson girls have each had significant accomplishments over the last 6 weeks. On February 2, Nicole was awarded 5 different awards in the South Brevard County Science and Engineering Fair. Among those were first place in the Jr. Microbiology division and Best of Show in the Biology division. We are very thankful for God's blessings and proud of her accomplishments. She will compete in the Florida State Science Fair on April 17. At the end of January, Elise won the spelling bee for her school for the second time in 3 years. She went on to compete at the Brevard County Bee on February 26, and made it to the third round. We are very proud of Elise as well. It is nice to have someone around the house that I can ask, "How do you spell...?" 😊

Elise-our spelling champ.
