## SEPTEMBER/OCTOBER 2008

### Praise God for Three Years!

This month marks our third anniversary in this ministry. Thank you so much for praying for us and going with us in spirit to New England last month. Jim preached 17 messages in 15 days. God continually provided spiritually, financially, and physically. God truly empowered Jim with His Spirit as he preached His word. The response of the people was terrific. All 17 messages were dif-

ferent, and several were brand new. God really blessed. We also thank God for our children. They uncomplainingly attended 15 of the 17 services.

The messages Jim gave were delivered in many different venues. A Christian camp, Congregational churches, Christian churches, Baptist churches, inside buildings and out in a field.

God provided physically for the whole family. We were tired, but no one got sick while we were on the trip.

God also provided some special treats for the family. We got to visit with many folks from Jim's side of the family. We were able to go candle-pin bowling, mini-golfing, and we had several huge scoops of delicious homemade ice cream that New England is known for. We were

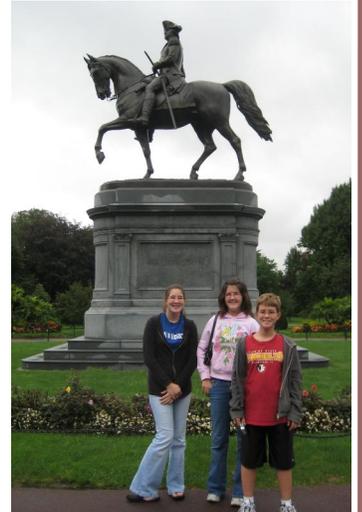

also blessed with tickets to a Red Sox game at Fenway, given by some kind gentlemen back in Florida. As a special field trip for home school, we were able to spend a long but fun day walking the Freedom Trail in Boston. Thanks for all your prayers. Please keep praying as the day of Jesus' return for His bride is drawing ever closer, and there are many churches who still need to hear the message God has laid on Jim's heart. If God is leading you toward having Jim come to speak to your church or ministry, please contact us at: 321-258-5442.
